# FOREWORD

... The doors through which we pass ... the corridors ... friendly chats with teachers ... the minutes of sociability before class ... the class rooms ... youth coming and going ...

Our school as we know it today, is built upon a combination of ideals ... the culmination of the efforts and the contributions ... the visions, and aspirations of the many students and teachers who have entered its doors, passed through its halls, and received its influences.

The purpose of the 1955 Hixonian is to record the deeds of the students who for the past year embodied this spirit of Hicksville High School. The future years will bring new faces and changes to the school scene, but there shall be for us this record of the friends we knew, the things we did and the memories that are still dear to us ... On leaving, it has bequeathed to us the will to attain still higher standards, the desire for increased wisdom, and the enthusiasm to keep high that spirit which is H. H. S.

## DEDICATION

You're typical teens . . . making fun out of work . . . sharing interests . . . you like jeans but can change to glamour when it fits the occasion.

Yes, you're typical teens . . . Go steady . . . about five months . . . Dress up . . . heels for her . . . tie for him . . . You know how to drive . . . rely on the family bus . . . get it . . . say twice a week. You snack, watch television, listen to the radio while doing homework.

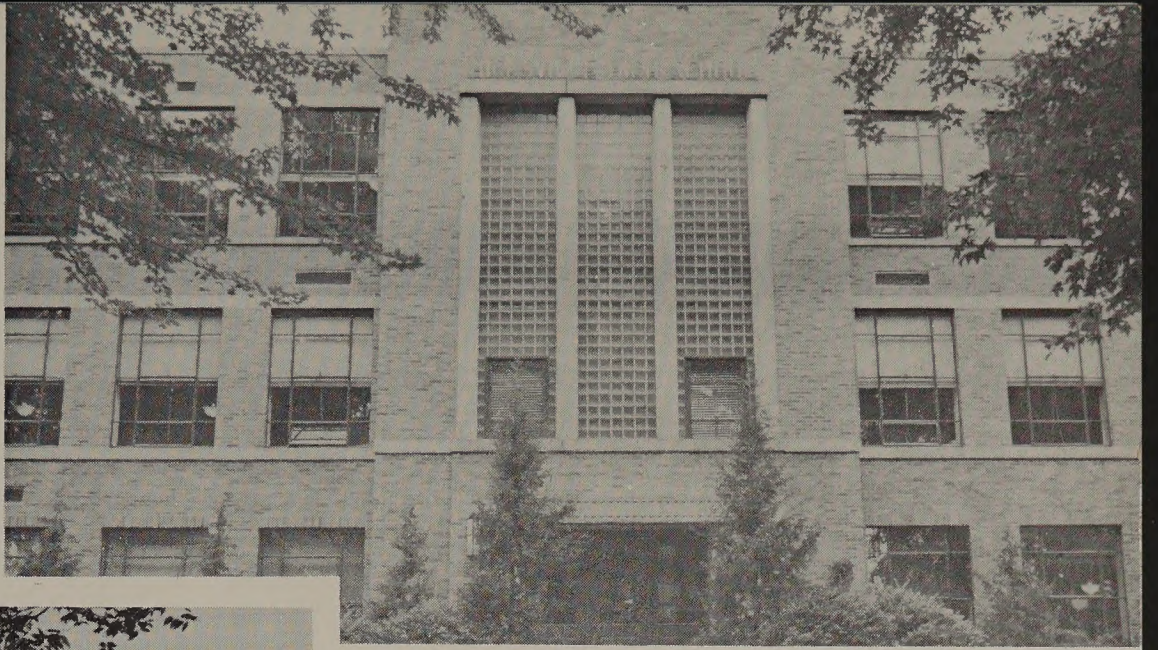

You're a typical high school student . . . You go out for sports one hundred per cent . . . You hold down a job . . . baby sit . . . sometimes into the early hours of morning . . . You work in stores . . . garages . . . up late . . . little spare time.

Your daily schedule is a familiar pattern of high school life . . . you get up at 7:30 . . . maybe 8:00 . . . sometimes oversleep . . . ride the bus . . . go at break-neck speed to cafeteria for lunch . . . drink cokes . . . munch candy bars and hot dogs . . . now and then you order a real feed . . . You enjoy school but hate to admit it . . . study some . . . three hours a night . . . no . . . a week . . . average "A" . . . well maybe "C" . . . Anyway you make the grade . . . just . . . but you're satisfied because you are a teen-ager.

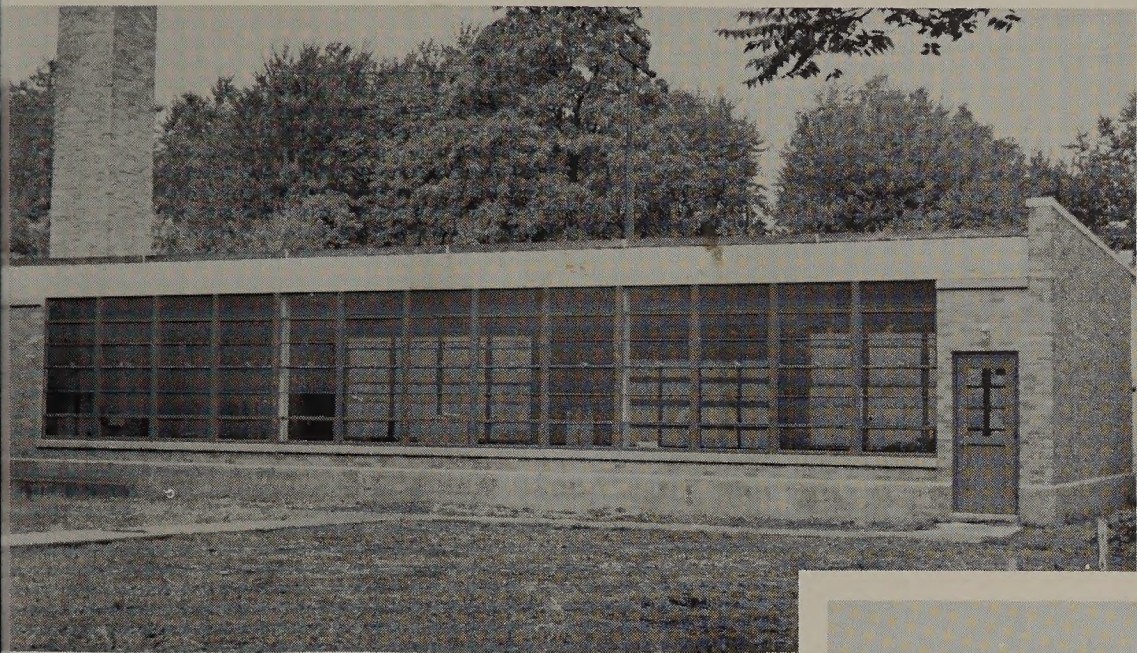

And so, since you have all these qualities, be they good or bad, ludicrous, pathetic or otherwise, we "DEDICATE THIS 1955 HIXONIAN TO YOU, THE STUDENTS OF HICKSVILLE HIGH SCHOOL."

# ADMINISTRATION AND FACULTY

The teachers and administrators at Hicksville display school spirit in their own quiet, steady pursuit of the year's work. They help the student who has been ill or discouraged, exercising patience in explaining and re-explaining the assignments of the day. Endowed with degrees and long years of experience, they can offer much and do give much to their pupils. They have been a guiding light to us in our everyday learning.

Yet, they go "beyond the call of duty" to help us in the time of need and share our troubles, whether large or small. They give of their precious time to help boost clubs, direct plays, and supervise other activities. Yes, they are a part of us. We are indeed fortunate to have such teachers as these.

With administrators who know the teachers, and teachers who know the pupils, H.H.S. stands unexcelled.

**ADMINISTRATION**

## *Administrative Heads Are Friends Indeed*

Mr. Rader, our superintendent, very capably handles many various duties here at school. He renders help and advice to those who are in need of it. I am sure we appreciate the services he performs for us all.

Our principal, Mr. Ringer, is a very busy person here at H.H.S. In addition to his official duties, which are numerous, he teaches our seniors the principles of American government. We are proud of the way he efficiently carries on his work.

All the students of H.H.S. know Mrs. Lura Thiel for she is always willing to offer a helping hand in the office. Kind and courteous, H.H.S. couldn't get along without Mrs. Thiel's cheery smile and efficient help.

## P.T.A.

The Parent-Teachers' Association meets once a month to discuss problems which involve students, parents, and teachers in any way. They have been successful in solving many such problems, and we feel that this organization is performing a worthwhile service for us, the students of H.H.S.

Mrs. Walter Smith, President; Mrs. Blake Hurley, Secretary; Mrs. Dick Laub, Treasurer; Mrs. Bob Cook, Vice President.

## BOARD OF EDUCATION

We are grateful to the Board of Education for making Hicksville High School an organization of which we are proud to be a part. It is through their efforts and capable decisions that we have such a school.

Mr. Claron Laub, Mr. Glen Countryman, Mr. Charles Hoff, Mr. G. L. Rader, Dr. Hoffmeister, President; Mr. William Easterly, Clerk; Dr. G. F. Hanna, Vice President.

# SENIORS

That "at last you've made it" feeling doesn't last long because sometime during this last year most of us have felt that we'd just like to skip graduation and stay here a few more years . . . but time doesn't wait on anyone so we forgot about being sentimental and went to work.

Of course, we couldn't help being a little silly at times . . . when cleaning up after games or decorating for a dance . . . "sticking our feet in doors" to sell something or get information became "old stuff" to us . . . still there was an intense desire to do our best in everything we attempted as we enjoyed our last wonderful year together.

# Looking Back

In the fall of 1943, the present-day Senior Class entered the grade-school building of Hicksville. On that first day some of us were frightened, some of us bewildered, none of us knowing exactly what to do. We have been together for twelve years now and we are almost as excited about graduation as we were about starting our first day of school.

We have lost a few of the beginning pupils and also gained a few. Now we are a class of thirty-six, sixteen boys and twenty girls. We are all looking forward to May 25, 1955. That is our day, the day we have been patiently waiting for, Graduation. That word sounds wonderful for it marks a turning point in our lives.

Six years ago we were eager seventh graders. We remember clearly how we got lost trying to locate the Study Hall or maybe the Math Room with that new kind of desk. The upper-classmen didn't help any by giving us wrong directions; but after we wandered around for a while, we finally discovered their whereabouts. My, but there were a lot of things to learn. We were allowed to go to pep sessions, assemblies, and to have dances just like the "big kids."

In 1951 we were green Freshmen. Initiation was the main item for the first six weeks. None of us were as frightened as we pretended; we were really growing up now. We helped elect the Homecoming Queen and attendants. Some of our class served as waiters and waitresses for the Junior Show.

As Sophomores we continued to work for our class trip, which seemed so distant. We sold basketball programs, had noon movies and dances. We also sponsored a class dance on Valentine's Day with theme, "Sweetheart's Serenade." We must have been good at waiting tables, because we were again chosen to serve for the Junior Show.

During our Junior year we were really busy. Despite the fact that most of us had heavy academic schedules, we took part in many extracurricular activities. We gave a play, "Hillbilly Weddin'," and our dance, "The Sock Hop," turned out to be very successful. We published the school paper, "Spoondrift." Our most important project was the Junior-Senior Banquet, with the theme, "Oriental Gardens." Weeks before the event, we started making decorations. It was hard work, but we feel sure that the Seniors, the Class of '54 appreciated it.

As Seniors we had a very busy year. Our main objective was raising money for our class trip to Washington D. C. We sold magazines, Christmas cards, published the Hixonian, operated concession stands at the football and basketball games, and had a bake sale.

In addition to these projects we sponsored four dances throughout the year. The first was the Homecoming Dance. Then we had a class dance in November, with the theme, "Radio Station H.H.S." This theme was chosen because we gave away a radio. On December 18, the gymnasium was transferred into a magnificent ballroom, and we presented our Christmas Formal. Our last dance brought royalty to Hicksville High—the annual Coronation Ball.

We enjoyed ourselves very much at the Junior-Senior Banquet and Prom. Agreeing that it was very nice and comparable to ours the year before, we still missed the work that is so much a part of it.

It will seem strange in the fall of '55 when we won't be returning to the halls of H.H.S. for another wonderful year. Looking back through the years we have spent together and knowing that we shall miss one another, we realize what wonderful memories the class of 1955 has to recall.

The time is 1965. The place is a darkened room. The purpose is to discover the whereabouts of the class of '55. The means of doing this is through a crystal ball. Silence! A vision is appearing, which will tell all.

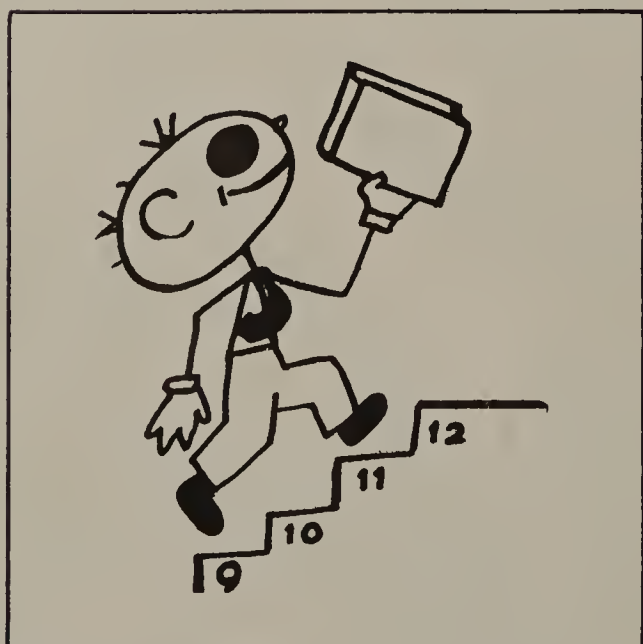

I see that Bud Amaden and Jim Brown are now the head football and basketball coaches at H.H.S. . . . also teaching there are Ted Durre and Ed Perry, who are both "Ag" teachers . . . Lois Myers and Phyllis Applegate are the school's music teachers . . . also located in our hometown are Yvonne Headley and Vonita Blalock, who are very capable nurses at the local hospital . . . oh, yes, I must not forget this . . . Bob Beams and Martha Kelley are now co-managers of the Kroger Supermarket . . . their competitors are the managers of the A&P, Dave Mastin and Anna Schlosser Hoover and Irene Wonderly, who now owns Cromwell's Food Market . . . Ray Folk and Jerry Burley have invented a powerful automobile engine for stock car racing . . . Ray says his wife's hot temper inspired it . . . Not far outside of town I see a large consolidated farm owned by Harold Smith, Clayton Middaugh, Rex Hurni, and Don Fry . . . by working together they have made a fortune by being able to sell their crops cheaply . . . the scene is changing, and I see another town . . . I think, yes, it is Butler, Indiana . . . several of our girls seem to have settled there . . . Let me see there's Mrs. Jim Sipe, the former Phyllis Haver, Lela Beree Keesler, Pat Driver Griffin, Nancy Dull McBride, and Bonny Shuherk Mullet . . . the girls have formed a club called the PFHTB (Pioneers from Hicksville to Butler) . . . not far from here I see a farm owned by Jerry and Shirley Schooley Keener, and just look at the size of that family in only ten years . . . now the vision moves to Ft. Wayne where I see Sandra Furney and Lois Schooley as private secretaries . . . they seem to be making good impressions on their bosses . . . oh yes, there's Rita Bainbridge who started as a secretary with a firm and is now an executive . . . Pauline Katona Brown also works here as the head of the Art Department . . . I see Dick Kelley and his orchestra are playing here this week at the coliseum . . . their band draws such crowds that this is the only building large enough to hold them . . . the vision moves on and I see that Janice Boger and Gay Guiff are stewardesses with World Air Lines . . . they say they love the travel and "opportunities" they obtain . . . Hankie Linder is married to "Squirt," naturally, and they live in Washington D. C., where he works for Army Intelligence . . . Bob Onstott is happily married and owns a large hotel in northern Michigan . . . Tom Culler is now playing "pro" basketball on a team called "Hotshots from Heaven" . . . Gerald Kuhn is a very successful member of our class . . . he works as a scientist for the federal government and on the side makes good profits by running the "Pool Room" in Hicksville . . . That must be all of them . . . the vision is fading . . . there it goes . . . Poof.

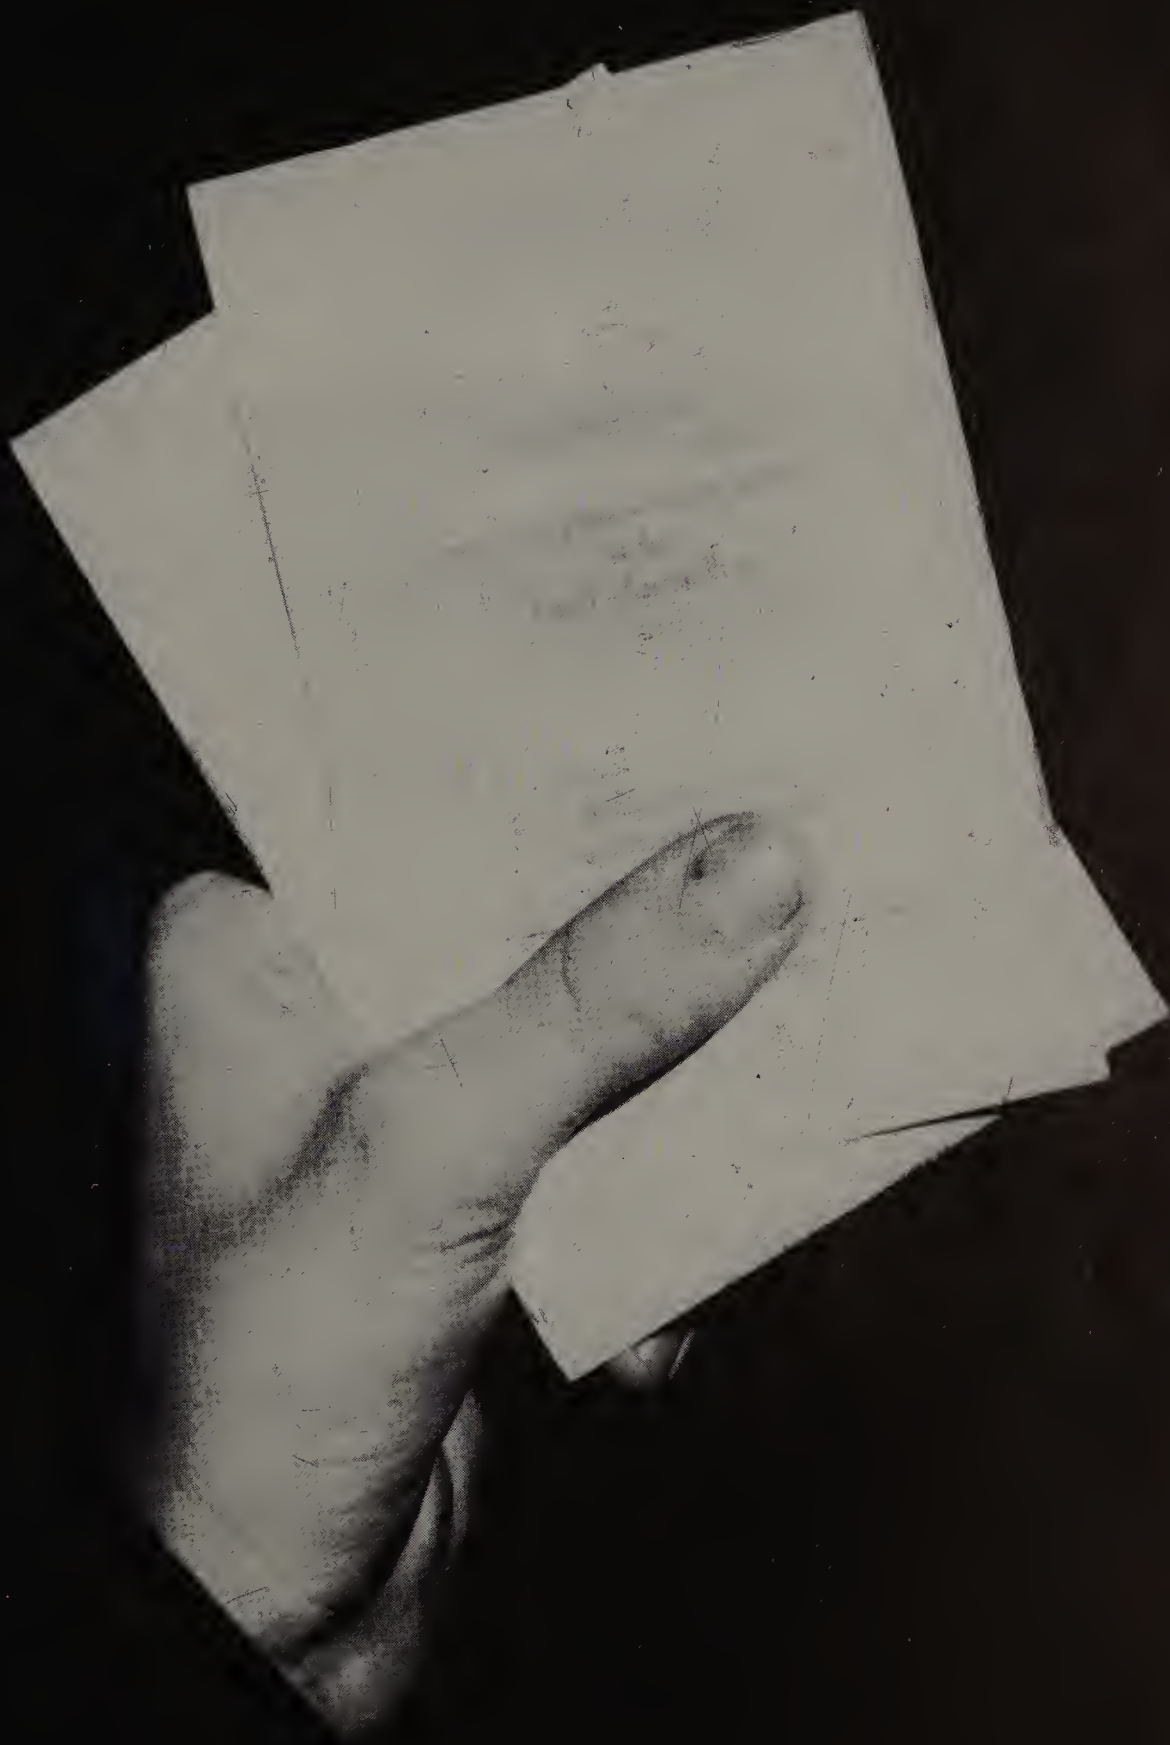

# JUNIORS

"Our class rings came in today" . . . 'have you seen how pretty they are?' . . . "can't wait to get mine." And so begins the Junior year. Picking class colors and a motto . . . all the important legislation that goes on to get your business completed. Your first attempt on the stage . . . lots of studying . . . Spoonrift to work on . . . plans to make for the Junior-Senior . . . "oh, how will we ever get everything done?"

But somehow you do get it done, and with the completion of a wonderful year, you make the last step to becoming next year's Seniors . . . the "top of the ladder" at H.H.S.

# There Was So Much to Do . . .

## . . . AS JUNIORS

Last September, forty-three of us returned to school as Juniors. We were finally upperclassmen and now had an important standing in the activities.

Under the supervision of our advisors, Mrs. McKeen, Mr. Williams, and Mr. Mas-sie, we began the year by choosing our class officers. We received our class rings and also had the responsibility of publishing the Spoonrift. It was our privilege to spon-sor two big events this year—our class play, "Junior Miss," and the Junior-Senior Banquet.

We are looking forward to coming back next year as Seniors and "Leaders of the Clan."

## . . . AS SOPHOMORES

Fifty-two of us entered the high school building as Sophomores. With the help of our advisors, Mr. Simpson and Mr. Wahl, we elected our class officers.

Our important projects this year were a bake sale, a dance, and the selling of air fresheners. The biggest thrill was choosing our class rings.

As our Junior year rolls around, we are looking forward to at last being upper-classmen.

## . . . AS FRESHMEN

In the year 1952 we entered Junior High to at last become a part of this new build-ing toward which we had been working for so long. We had parties in the gym and skating parties—lots of fun.

This year we became Freshmen, excited and glad that we could at last pick our own subjects. As a class, our first duty was selecting class officers. Our activities have been selling "For-Get-Me-Nots," a bake sale, a box social as a class party in the gym, and sponsoring our dance. These all helped expand our treasury.

## . . . AS EIGHTH GRADERS

When we first came into this building, we had quite a struggle getting to classes, but it didn't take long for us to learn our way around. We were sorry to see the year come to a close, and felt eager for another year to start.

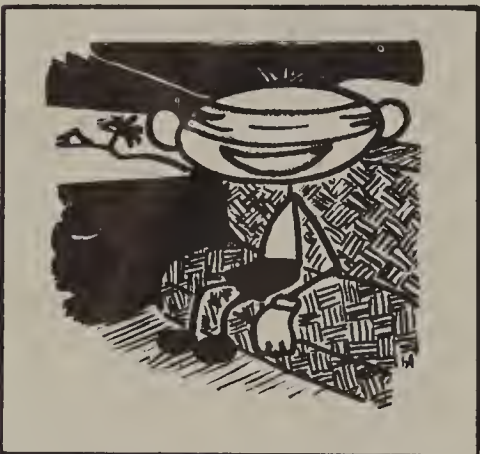

We have enjoyed the many fine assemblies and entertainments the school has pro-vided and hope we will have as much fun in our remaining years in this building as we have had the first two.

## . . . AS SEVENTH GRADERS

We, the seventh grade class, enjoy being a part of H.H.S. This year we have per-formed many new and exciting activities.

Our first major decision was selecting our class officers and student council mem-bers. Since then we have become part of many other organizaticns. We have members in the high school band and on the Junior High football and basketball teams. We were also proud to have the Junior High cheerleaders chosen from our class.

We attended dances and other programs sponsored by different high school classes. Under the supervision of our class advisor, Mr. Fritz, we successfully ended our first year in the high school building.

## THE SUPPORTING HANDS

Friends to everyone are janitors Alvin Beardsley and Roy Bauer. They are always around to help in case of an emergency. We depend on them to do all odd jobs that no one else can do.

Who is more loved than a cook! For what would one rather do than eat! We appreciate the well-balanced meals we receive at H.H.S.

They are: Mabel Beams, Lottie Snell, Head Cook; Elizabeth Frick, Claudia Wolford, Ona Owens, and Esther Howenstine, Supervisor.

We all like to travel, but these fellows have to do it the hard way. They must excel in driving skill, patience, tact, and baby sitting.

They are: Carl Ridenour, Lynn Hurni, Charles Meyer, John Meyer, and Kenneth Countryman.

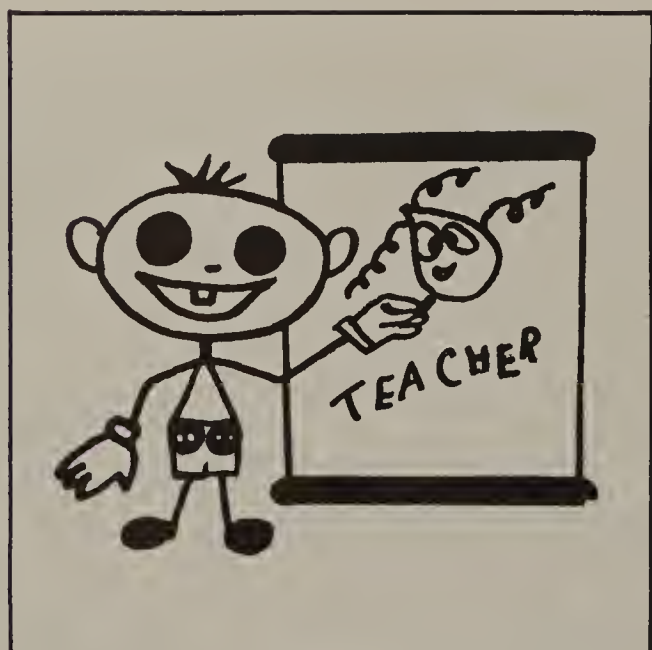

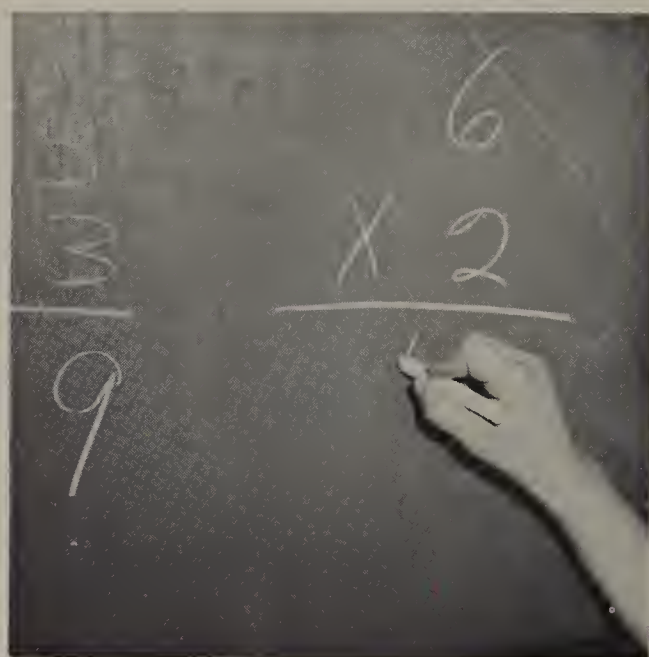

# ELEMENTARY

Reading, 'riting, and 'rith-  
metic . . . the years of an edu-  
cation. Taking a bouquet or  
an apple to the teacher . . .  
the special days when the girls  
take dolls and the boys a favor-  
ite toy to school . . . the games  
that could be played during  
recess!

Grade school, where the  
foundation of your schooling

memories. As some people  
say, "Those were the best

# ORGANIZATIONS

Whispering . . . or maybe sounds too loud to be called whispering, shuffling feet, and scraping chairs marked the opening of a club meeting. A committee conference to decide on decorations or food, dues to collect, and programs to plan often brought complete chaos to the correct observance of parliamentary procedure.

An unexpected guffaw or giggle . . . a slightly uncontrolled temper . . . disagreements, disappointments . . . but more often harmony . . . learning by doing. Despite the many mistakes made, both officers and members of the organizations in Hicksville High School profited by their experiences.

# **ORGANIZATIONS**

## LATIN CLUB

The Latin Club of Hicksville High School meets on Friday of every week. The offices of this club are set up according to the rule of ancient Rome. Much is learned from the reports given by the aediles at every meeting. These reports usually consist of mythology, Roman customs, games, etc.

This organization is a very beneficial one and also entertaining.

The Commercial Club has a purpose of giving the students a more general knowledge of business.

Two of the big events during the year were initiation and a party. Our projects were helping Mrs. Culler pick informative articles for the bulletin boards in the commercial and typing rooms and buying club pins.

## LIBRARY

The high school library opened a few weeks after school started. Non-fiction, fiction, encyclopedias, dictionaries, and atlases make up our collection of books, including over a hundred new volumes received this year. Mr. Walker is in charge of the library with a capable staff of students. Besides the librarians, John Hootman assists with repairing the books.

## OFFICE GIRLS

The office girls are chosen at the beginning of each school year by Mr. Rader, Mr. Ringer, Mrs. Thiel, and Mrs. Culler. They are usually Junior or Senior girls who are taking the commercial courses, but this year three of the girls are sophomores.

All girls must make at least passing grades. They must be trustworthy and accurate in their work and pleasant when talking with people both in person and over the telephone.

## STATE FARMERS

The degree of State Farmer goes to the outstanding boys in Vocational Agriculture who have attained the Chapter Farmer degree. To obtain this State Farmer degree, you must be a good student, keep accurate records of projects, from which you must make a profit of at least \$500, and take part in school activities.

We are happy to have had two boys, Dick Kelley and Ted Durre, make this degree last year.

## G.A.A.

During the past year the GAA, under the leadership of Mrs. McKeen, has successfully maintained the purpose of the organization . . . to provide the opportunity for all interested to participate in athletics, to assist them in acquiring better health, to develop a sense of sportsmanship and fair play, and to fulfill the need for recreation and leadership.

Our basketball team was organized to play similar teams of other schools. Awards were given at the annual spring banquet on the basis of points acquired by attending meetings and participating in activities.

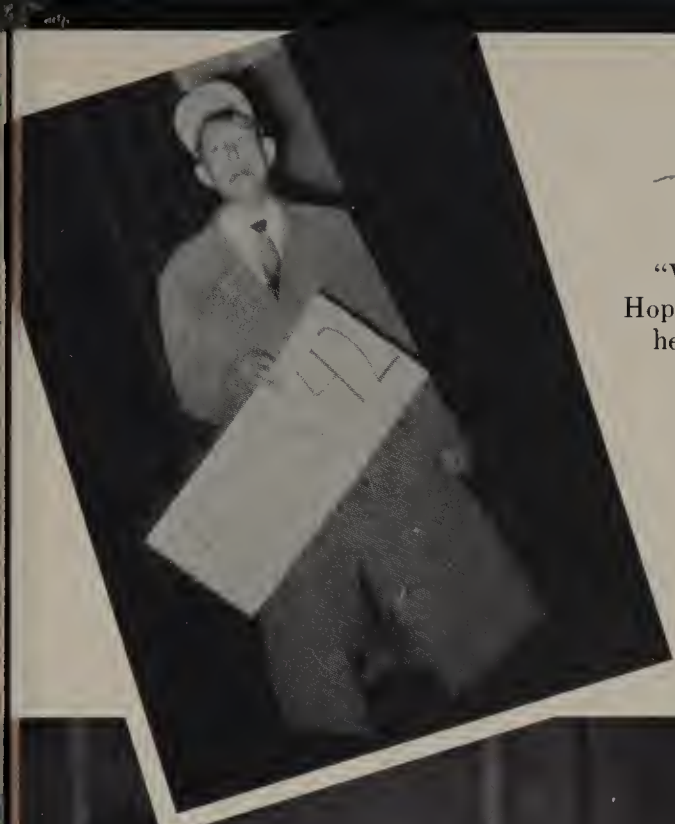

## F.F.A.

A boy, shivering in his woolen jacket, a load of hay in one arm and a sack of oats under the other. After the animals are fed and cared for, he takes another look at the winter wheat, growing fast and strong, then hurries to complete his many chores before the sound of his mom's voice calls him to a big country breakfast.

This is an FFA boy, working at one of the most important jobs in the world, the feeding of the multitude. As he boards the school bus, he has every reason to be happy and confident in the role he is playing.

# ATHLETICS

Watching the Aces warming up on the field or in the gym . . . the wild cheering when a basket or a touchdown is made . . . Seniors at the concession stand . . . a band playing, halftime shows . . . the smell of corn popping . . . sitting in the rain and snow or in a warm gym . . . no matter where you are the game is the most important thing in the world. Yelling until you're hoarse . . . then, maybe the disappointment of a loss . . . but remembering it's just a game, both teams can't win . . . trying to be a good sport . . . this is what the word "athletics" brings to your mind as a spectator.

Knowing that sports mean much more to the boys that actually play on the teams, we can better tell their story with the pictures on the following pages.

# **ATHLETICS**

## FOOTBALL COACHES

Coach Howard Schneider, right, Head Football Coach Norris Simpson, Assistant Football Coach.

### FOOTBALL MANAGERS

Our capable football managers, Larry Rex and Bob Wonderly, have done an excellent job for us this year. Too many times our managers don't get enough recognition—so, hats off to Larry and Bob.

### HONORARY FOOTBALL CO-CAPTAINS

Harold Smith and Eddie Perry were chosen by the team for many different reasons. The main one, however, was their good conduct and sportsmanship shown on the football field. Another reason was that they both got along with the rest of the team exceptionally well. Also they had the ability to play football and worked as hard as they could for the benefit of the team. In the scoring you wouldn't see their names; however, it takes eleven men to make a team and Eddie and Harold did more than their share to help the others do the scoring.

So by looking at it from every angle, the team couldn't have picked two more deserving boys to be Honorary Co-Captains.

### FOOTBALL CHEERLEADERS

More "bounce to the ounce" best describes these four girls. Hankie Linder, Delores Slattery, Wanda Jenkins, and Rosie Linder are well known for their snappy cheers and the enthusiastic way in which they lead them. Using their ingenuity, they produced a variety of new yells to lead our Aces on to victory.

## PIGSKIN REVIEW

### PAULDING 13 HICKSVILLE 12

In our opening game of the season, Hicksville traveled to Paulding. Paulding controlled the scoring in the first half by scoring 13 points to Hicksville's nothing. In the second half, Hicksville got back the two touchdowns, but couldn't convert on the P.A.T.'s Hicksville's record in league play was 0 wins and 1 loss.

### HICKSVILLE 31 EDON 27

The third game of the season was our Homecoming game with Edon. It was an even game until the third quarter, when Edon pulled to a 27-13 lead. However, Hicksville came bouncing back with three touchdowns in the final period to win the game. This made Hicksville even in league play with a 1 win and 1 loss record.

### BRYAN 41 HICKSVILLE 0

In the second game, Hicksville played host to a tough Bryan squad. Bryan controlled the game from the first period and defeated the Aces.

### ARCHBOLD 13 HICKSVILLE 0

The fourth game saw Hicksville travel to Archbold. The Aces played a very good game, but just couldn't get the ball over the goal line.

Bottom row: Frank Hostetler, Larry Haver, Steven Erlsten, Larry Tomlinson, Gary Sholl. Second row: Ted Durre, Ray Folk, Jim Brown, Gerald Kuhn, Jim Wonderly. Third row: Merle Ballard, Darrel Brown, Jerry Burley, Eddie Perry, Harold Smith. Top row: Jim Johnson, Zollen Tucker, Michael Hitzman.

## GRIDIRON ACTION OF '54

### ROCKFORD 25    HICKSVILLE 6

Hicksville then traveled to Rockford to play a tough Rockford eleven for the fifth game of the season. Hicksville played the game in the absence of some of the regular players. However, the Aces proved they had a lot of fight left, even though they lost the game.

### LEIPSIC 34    HICKSVILLE 12

On October 28, the Aces traveled to Leipsic to play the Lions. The team got off to a bad start and ended up on the short end of the score. As a result of this game, another player joined the ranks of his injured teammates.

### MONTGOMERY WAYNE 13    HICKSVILLE 6

Game number six saw Hicksville play host to Montgomery Wayne. There was no scoring until the third period, when Montgomery Wayne came up with two touchdowns. Hicksville came back by scoring once in the fourth period, but couldn't seem to make a second touchdown.

### PAYNE 22    HICKSVILLE 0

The last game of the season saw Hicksville play host to a rough Payne eleven. Hicksville couldn't get going and lost the game. We ended the season with 1 win and 2 losses in league play, and finished with a single win and 7 defeats.

The students of H.H.S. can't help being proud of these four cute and energetic girls dressed in red and white.

Leading the yells for the Junior High games are Sue Stemen, Stephanie Cromwell, Arlos Boger, and Colby Gecowetts.

## COACHES

Our two coaches, Norris Simpson and Howard Schneider, have made a great stride forward with our basketball team this year. They have helped each individual to do the best that he is capable of doing. They have also taught the team to show good sportsmanship, which always pays off, while on the basketball court. I'm sure that everyone will agree that they are a couple of great guys.

## MANAGERS

Our basketball managers, Bob Onstott, Gerald Kuhn, Darrel Brown, Lester Krontz, and Bob Wonderly, have capably filled their positions this year. There is usually not much said about managers, but they are really as important as the rest of the team. When there is something to be done, our managers are on the job. So congratulations to our quintet of managers.

## BUD AMADEN Guard and Forward

A conscientious and competitive athlete, he has qualities which many lack. Bud is a versatile player, not only can he hit long shots, but he can also drive around a man, leaving him spellbound. Defensively, he has taken rebounds from taller players and prevented many baskets from being scored.

## JACK RADER Guard

He has become a valued substitute with the ability to shoot and steal passes from unsuspecting opponents. Jack has been a definite asset to the squad this season and we will be looking for him to do great things next year.

## HAROLD SMITH Guard and Forward

He is a very valuable utility man, playing every position and executing them all well. Hal's favorite jump shot has put us ahead in a game many times. His defensive maneuvers, driving in for lay-ups, and timely rebounding are assurance of his great will to win.

## JIM BROWN Forward and Center

His height has been valuable to the ball club, both in rebounding and those timely tip-ins. Jim's ability to hit the basket from out on the floor, as well as in the pivot, his clever passing, and his competitive spirit have made him a great asset to the team.

## GARY DEMUTH Forward and Center

His rebounding and his ability to get the ball into play have helped the team out of some tight situations. Gary will be with us next year and look out then; his will to win has been a great contributing factor to this year's success.

## NORMAN WOODRUFF Guard and Forward

He hasn't seen much action on the varsity this year, but Norman will probably be in there pitching next season.

## MAX KEMERER Forward

Max also hasn't seen much action this year, but he will have a chance to "show his stuff" next year.

## TOM CULLER Center

He has the ability to screen out his opponents and retrieve the rebounds. Because of his weight and stature, many opponents tried to move Tom out of position and were unsuccessful. He has the "will to win" spirit that has given the team the added punch they have needed at various times.

## REX HURNI Guard

He has made quite a few opposing players look up and take notice of the way he intercepts passes, his aggressive front and back court maneuvers, and his sharp shooting. By the way he plays, Rex has shown that his only desire is to win.

## BILL BRICKER Guard

He has proved himself a stellar guard both defensively and offensively with his quick set shots, clever ball handling and the way he steals the ball from opponents. Bill has shown what fight a little guy can have as his competitive spirit grew stronger with each game, and will be expected to be much stronger next year.

Our reserve team, coached by Mr. Howard Schneider, has done a great job this year. Although lacking in experience at the beginning of the season, they have shown steady improvement as the year progressed. Another point which should be brought up is the good sportsmanship shown toward the officials, the opposing team, and particularly among the members of the squad. A motto which the team has learned to follow is, "One for all and all for one."

We are looking forward to seeing many of these boys on the varsity in the near future.

The squad, coached by Mr. Fritz, lacked experience at the first of the season, but they showed great improvement as the year progressed. The idea of showing good sportsmanship played an important part.

# ACTIVITIES

From throwing straw on a hayride, eating hot dogs, and drinking pop, to making the less accustomed change from blue jeans to formal dress, H. H. S. students enjoy all types of social activities. If there isn't a class play, athletic event, club party, or an after-game dance, they find some other form of entertainment. Sipping cokes and chatting in a drugstore . . . watching television . . . just driving around town . . . A Saturday midnight show . . . no matter what we do, we have fun . . . lots of it!

## *and the Band . . .*

In September, 67 members of the H.H.S. band began practicing for football shows. After successfully dodging flying balls, some fine shows were enjoyed.

One Saturday, the band traveled to Auburn where they won sixth place in a marching contest. Hicksville is very proud of this, as we were the only Ohio band to place.

The marching season ended and concert band began. The first activity was to make a tape recording for a broadcast over WONW. Two more recordings were made later.

Twenty people were picked for a Pep Band during basketball season. They gave forth with much rousing music.

In the spring the band had representatives at the Defiance County Music Festival. Also they were well represented by various ensembles and solos at the district contest. The band itself got a favorable rating at the contest.

None of this could have been accomplished without the expert guidance of our director, Mr. Donald Agne.

## *Played on*

The five girls who were our twirlers this year performed their duties well. They led the band for parades and football shows, and added spice to the performances. These three seniors and two juniors have been good band members and we are all proud of their work.

Irene Wonderly, Bonnie Shuherk, Martha Kelley, Wanda Jenkins, Nancy Erlsten.

## DRUM MAJORETTE

Martha Kelley, as drum major-ette, has done a wonderful job of leading our marching band for the last three years. She is "right on her toes" during practice, is cooperative, and always willing to help other band members.

Besides these qualifications, she also had the experience of being a twirler during her Freshman year. To Martha we say, "Great work."

First row: Judy Longworth, Sandra Dull, Richard Reed, Rose Onstott, Joanne Otis, Peggy Ruckman. Second row: Dave Aten, Kathleen Kenner, Gene Stauffer, Suzie Carr, Richard Green, Mary Noffsinger, Jim Volkert, Ruth Myers, Bernard Gecowetts. ## PEP BAND

The Pep Band is composed of about fifteen representatives of the Hicksville High School Band. This is the fifth year they have provided music at half-times and between the two games. With their music, they aid the cheering section in supporting the teams.

## JUNIOR BAND

The Junior Band is composed of an ever-increasing number of young musicians.

Besides learning to play their instruments better, they are taught the basic fundamentals of playing together as a band. These members have also had some marching experience.

In time, the confusion becomes music. As a reward of diligent practice and experience in playing, they soon will be members of the H.H.S. Senior Band.

## MUSIC BOOSTERS

The Music Boosters is an organization made up of the parents of the band and chorus members. They decide how to raise money and how to spend it wisely for our benefit. They buy all our band suits and chorus robes and see that they are kept in good condition.

In addition, they plan and prepare a banquet for us every year where we receive our awards. The Music Boosters help to make our programs successful—many thanks go to this organization.

## CHORUS PIANIST

Lois Myers has been a very capable pianist for the Chorus for the past three years. She also accompanied the Girls' Glee Club for one year. In addition Lois played in the band for three years, and is an assistant organist at her church. We hope that her abilities in the field of music will bring her much success.

## CHORUS

This year our Chorus consisted of sixty seven members from the four upper grades. There were nineteen seniors, twenty-three Juniors, twenty-one sophomores, and four freshmen.

The Chorus met on Tuesday and Thursday of each week and class was forty-five minutes long. The period was filled with fundamentals of music, practicing old songs, and learning new ones.

On several occasions throughout the school year, the Chorus sang at the dif

# Song . . .

This year a Girls' Triple Trio was newly organized. It consisted of three first sopranos, three second sopranos, and three altos. They sang for various school occasions, and other functions.

In the spring the Trio went to the district contest. Then they finished the year by singing at the spring concert.

ent assemblies. Also, they entertained the PTA and different organizations at the school.

Special programs given by the Chorus this year were a Christmas program for the PTA on December 15, and a spring concert on March 9. Several members took part in the music festival at Defiance in April. The Chorus concluded the year by singing at the Seniors' Baccalaureate services on May 22.

Throughout the year, the Hicksville Ministerial Association held chapel services once a month for both the grade and high schools. Visual education was used to present the messages. The films were usually about the Fisher family taken from the "This Is The Life" television series.

On September 27, H.H.S. teachers and students left the schoolday world and were taken into the world of magic as JAMES WEAR presented many various and difficult tricks, proving that he wasn't "just another magician."

The ROYAL SCOTTS, a couple touring the U. S., entertained us on November 11. The wife did various dances; her husband sang some lovely ballads and also explained the native dress the couple wore, giving us an enlightening picture of Scotland and its people.

Everyone seemed to feel more cheerful and relaxed after DUSTY MILLER spoke to us on January 11. Being a very good speaker and entertainer, he had some of the students and faculty "rocking" with laughter. Yet there was plenty of food for thought in his illustrations of the points he wanted to put across.

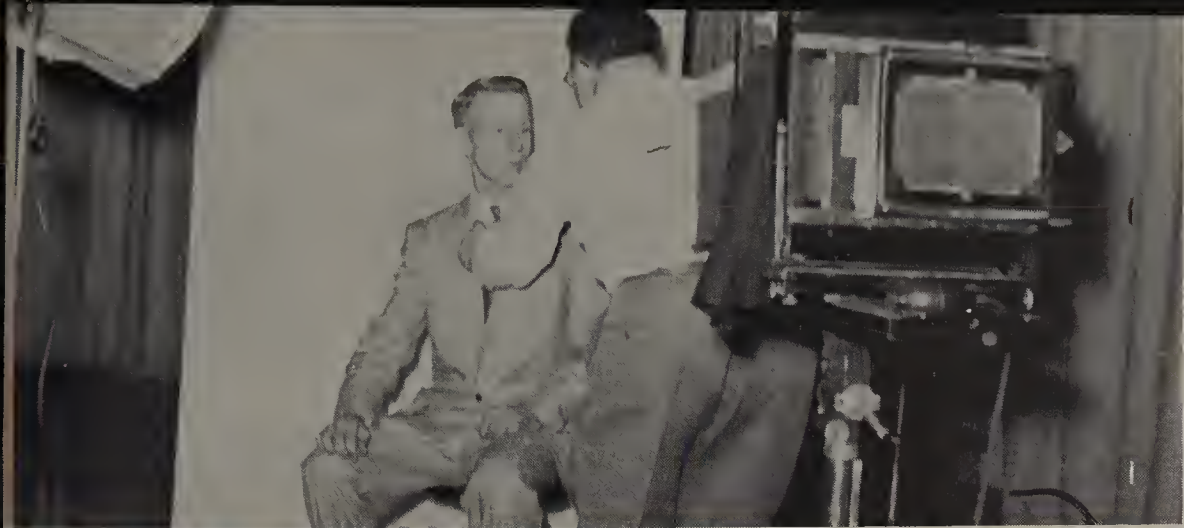

JEAN GOODSPEED was presented to us on February 11, giving her impressions on international affairs. This program proved to be interesting and gave us a better understanding and a wider scope of world affairs.

On the 30th of March ALLA and W. BAJANS brought us a program of Continental Folk Music. The couple had toured Europe, which gave them an excellent background for performing this beautiful folk music of other lands.

## THE SPOONDRIFT

The Spoonrift Staff, composed of members of the Junior Class, has really worked hard getting their assignments in on time, preparing copy, setting up the "dummy," typing stencils, mimeographing the pages, and distributing the finished product.

One purpose of the Spoonrift (which has been published since 1920) is to put out a paper that everyone enjoys reading. Another purpose is to keep the friends, the parents, the student body, and the alumni of Hicksville High School informed of school functions and activities.

It would not have been possible to publish this paper each month without the capable supervision of our advisors—Mrs. Mary Culler and Mrs. Rosemary McKeen.

## “JUNIOR MISS”

On November 19 and 20, the Junior Class presented “Junior Miss” under the direction of Mrs. Rosemary McKeen. It was well worth the time and effort we had put forth.

The plot of the play was a very interesting one. Harry and Grace Graves have two children—Judy at 13 has, besides her confidante Fluffy, an amazing capacity for food, and a burning desire to grow up to her sister Lois’ glamorous age, 16. Judy takes it upon herself to keep her family from shame, because she thinks her father is in love with Ellen Curtis, the daughter of his boss. To do this she arranges a meeting between Ellen and her Uncle Willis, who Judy thinks has been spending the last few years in jail. When circumstances seem to be at their worst, Judy turns into Miss Judy Graves, a lovely Junior Miss with an escort to her first dance.

## SWEETHEART DANCE

The Sweetheart Dance was sponsored by the Hixonian Staff to honor the class that contributed the most tax stamps to the Hixonian Fund. The seventh grade won and chose Linda DeMuth as their "Sweetheart."

Prior to the dance, the sweetheart and her attendants were honored in a coronation ceremony. Each was escorted to her chair by a boy from her class. The queen was attired with a crown bearing large hearts and her attendants each wore a crown with smaller hearts.

Such great ability combined with a nice personality should bring her a bright future and we wish her success in anything she may attempt.

#### SALUTATORIAN

SALUTATORIAN—The honor of being Salutatorian goes to a very creative person, Pauline Katona, who is known for her wonderful talent in art. Pauline maintained very good grades and entered various school activities. We wish her luck and happiness for the future.

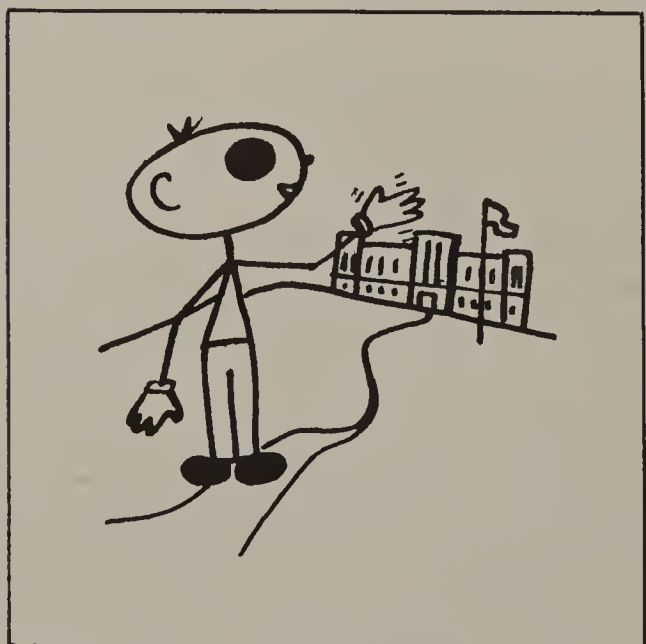

# ALUMNI AND ADVERTISING

As time passes and the years roll by, it is inevitable that the Seniors part with their high school life and say good-bye to H.H.S. As we walk through the resounding halls and down the steps for maybe the last time, some of us will be happy and some will be sad.

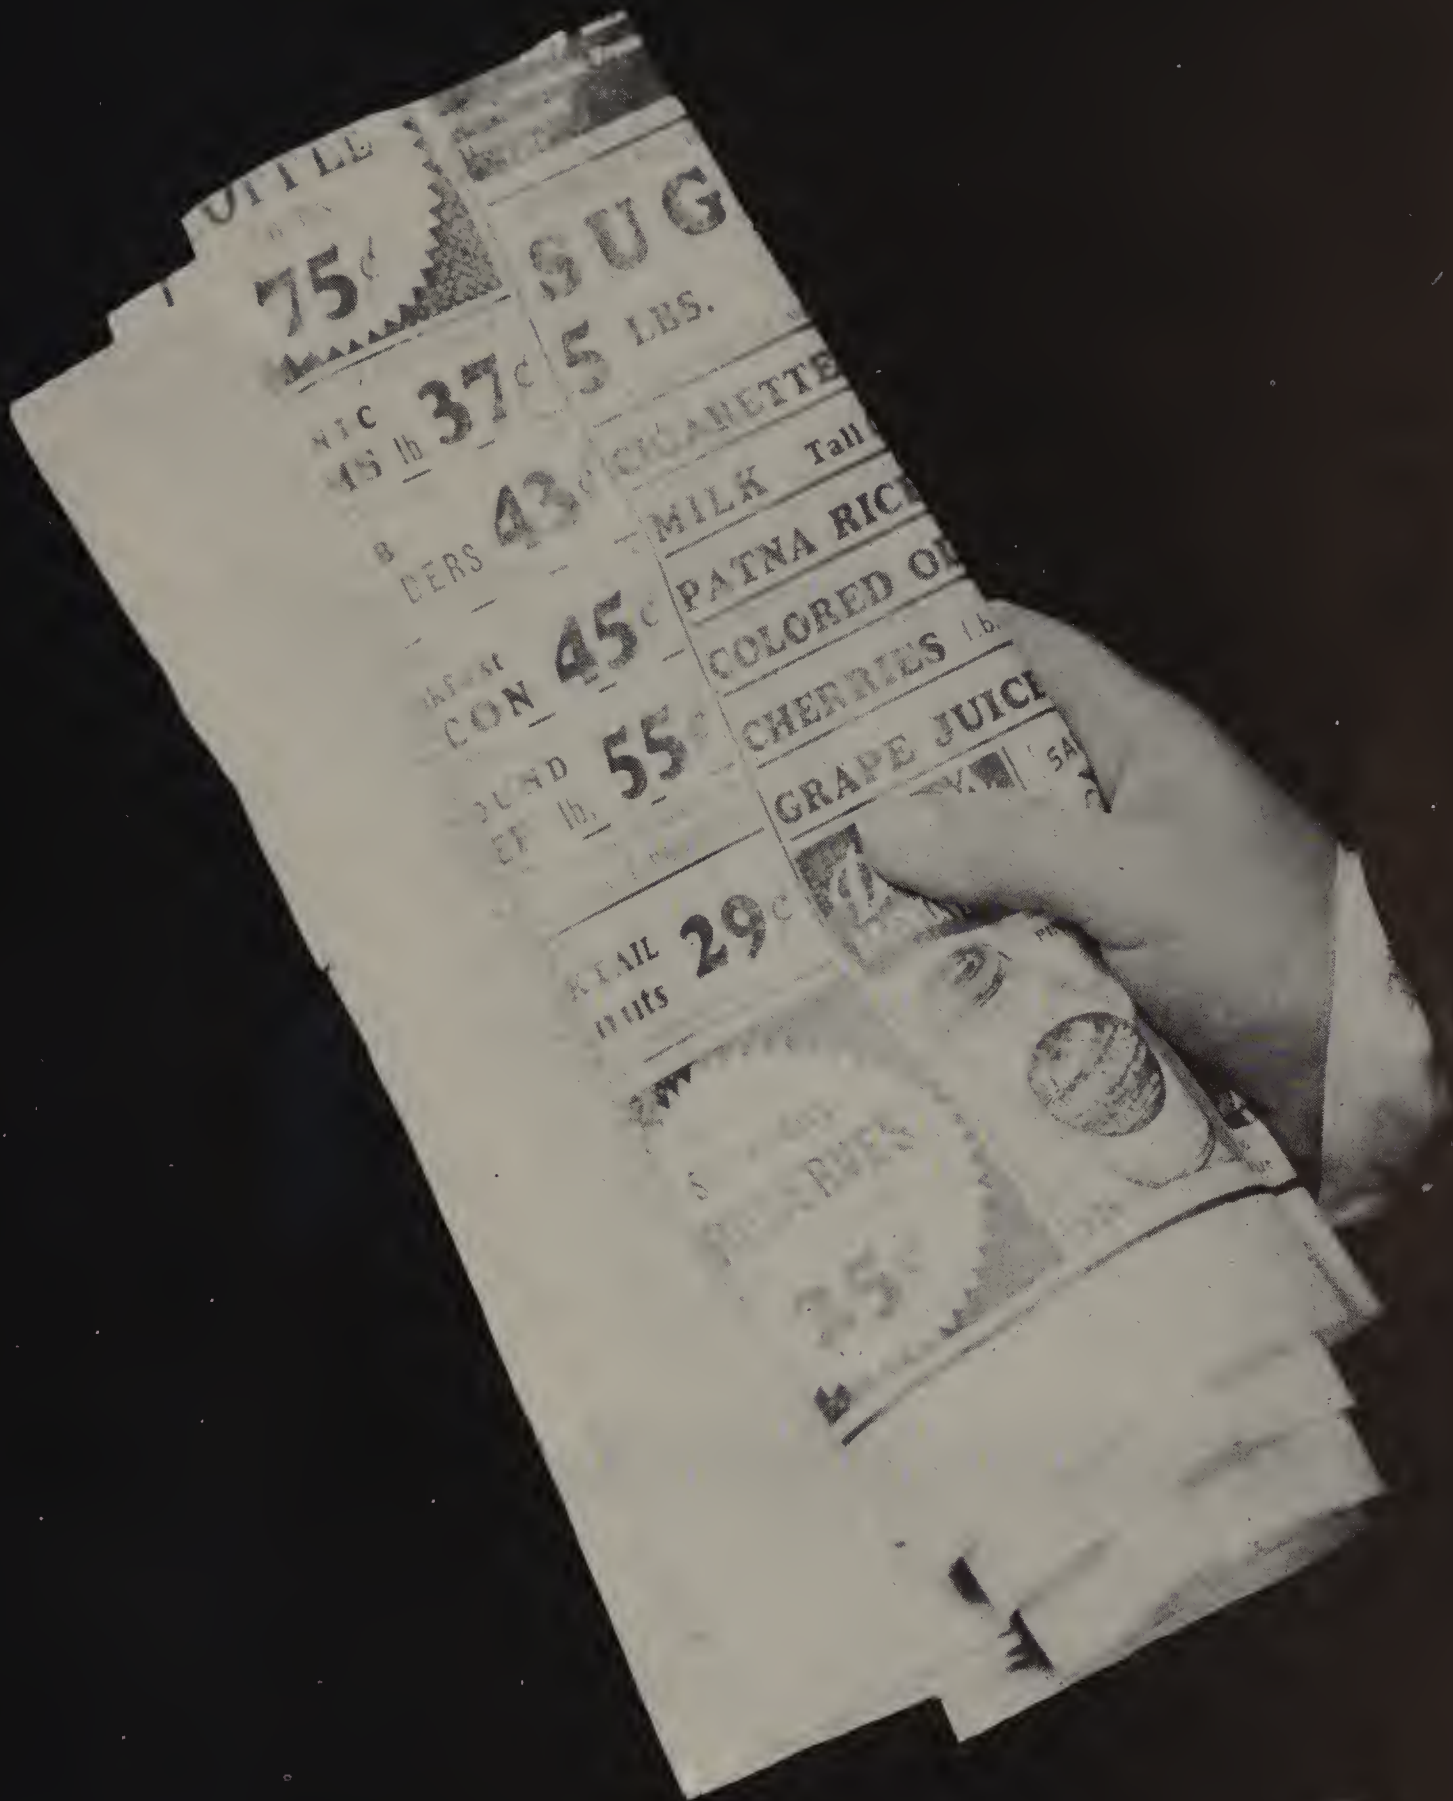

A few of us may be bewildered by the future ahead, but most will be prepared to meet that future squarely and honestly, knowing full well that we are ready.

As we now enter the ranks of the "old grads," we will be setting new goals for ourselves. We will be making you, the alumni, the businessmen and civic leaders of our town, our ideals.

For this reason, we reserve a special section of our year-book for the Alumni and "Our Advertisers."
